

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Our Ava started in September last year 2013 at 2 and half years. She went in as a quite little girl but we knew it would be the best thing for her. After her 2nd week she was like a different child coming out of herself and loving her new friends + new teachers. Linda and Tracey from day one were a pleasure to deal with always friendly and approachable. They are fantastic with the kids acknowledging birthdays and outside achievements in my Avas case she won medals at her 1st dance competition and she was rewarded with a coat of achievement from Tracey and celebrated her success with her friends. Ava loves her teachers and friends and loves running in every morning. Her ability to mix, communicate, her colours, her singing and remembering lyrics to songs as well as having an individual song to go with each letter. Avas favourite "Orange Orange" singing the song always. Every occasion, Halloween, Christmas Tracey and Linda dress up and make a great effort and fun. I am so pleased with Avas progress from her numbers to shapes from singing + showing confidence. She's outstanding and we are very proud of her. Would highly highly recommend Little Scholars and will do to all my friends. Mammys tears soon disappeared with sending Ava to this great playschool.
