

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I found it on the internet.

Teachers who cared for my daughter Amelia are very nice and well prepared to work with children, their approach to children caused by my child happy to wants to attend the program activities conducted by them.

Contact with the Manager was very good.

Certainly in the future, I can even recommend my friends this pre-school.
