

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I found little Scholars to be a wonderful introduction to a school environment. James always loved interaction with children and to learn, but he has ~~particular~~ particularly loved his experiences at little Scholars.

All the teachers were fantastic. James had his favorites tho. Always talking and singing what "teacher" taught him, and they made it fun.

I could ~~add~~ always contact Tracey and Linda if I needed to, and at all times found them very friendly. I felt they were extremely interested in James's well-being, and his progress ~~is~~ under their care.

All in All, I am very happy with Little Scholars and I would recommend it to all. I have another little boy who will, if possible, be attending.
