

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

my daughter Carlina started in Little Scholars in September 2014. when she first started she loved being there but didnt want me to leave. The teachers were very understanding + patient. They made the experience much more bearable. Since then she loves going in everyday. Its lovely to see how happy she is going in. I couldnt be happier with the teachers.
