

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I think Little Scholars pre-school is very good as my child has improved alot with his speech and I feel he is very happy in himself. Each one of the teachers are very nice as they have played a big role in my child's improvement. I found the teachers very friendly and helpful with my child and the other children. I would strongly recommend Little Scholars pre-school to anybody who is thinking of sending their children to pre-school as the teachers are great and there is a great atmosphere in the place. I would like to thank all the teachers who made it ^{such} an enjoyable & fun experiance for my child.
