

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I think Little Scholars is brilliant. All my children have gone there and you couldn't ask for better staff & management. They really are brilliant with the kids there and my son has come on so much and benefited so much there. My first child I sent had a speech problem and I found with the help of Little Scholars he really improved. My other son who is there at the moment was always quiet and only really enjoyed his own company, now he has made so many friends here he always loves going every morning. My mind is at ease when the kids are there as I know they are well looked after and having fun, and coming home singing the songs they have learned that day. I would honestly recommend Little Scholars to anyone. Tracy & Lynda are patient, enthusiastic and really easy to talk to. It has helped the kids prepare so much for school as they have come into know a routine. Thank you for giving us this opportunity to give you some praise as you deserve it.
