

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Little Scholars is a great pre-school, I have had all three of my kids here. My two sons previously came here and my daughter is here at the moment, she really looks forward to going in everyday. Tracy and Linda are very attentive to each of the kids and are very pleasant to talk with and deal with. It is great when my daughter comes home and has learnt new songs and letters and is excited to sing them to me. It is peace of mind when she is there as you know she is well looked after and enjoying the experience. When my boys went there it really prepared them for school they were more confident and were used to a routine. I now feel my daughter is ready for school in September. I would love to just say a big thank you to the girls there, and its sad that my kids are all finished this year, we will miss you.
