

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Little scholars pre school came very highly recommended to me and to date it has met all my expectations. My daughter went in very shy and of course nervous but the change in her has been great. This I have to credit to the very patient and caring staff to whom you could approach at anytime with any concerns. There's always something new and exciting happening in playschool and this I'm told all about on the way home. I feel it has been a great start to my daughters education and I would highly recommend it, as it was to me..
