

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I find little scholars Pre School. The teachers and Manager explained every thing they do with the children and helped our son settle in very quickly. The teachers who looked after our son are very pleasant and helpful and when our son comes home he is always talking about them and has made great progress at little scholars. I would recommend Little Scholars to anybody looking to put their child in to Pre-School
