

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I found Little Scholars to be run very well. My girls came on really well this year, learning lots of new things + singing new songs.

They were very happy and settled in very well, which says a lot about the teachers.

I found the teachers very nice to deal with and very approachable.

My girls now run into school every day which is great to see.

I look forward to sending them again next year
