

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Little scholars is a fantastic pre-school, from the moment I rang, Tracey was so helpful, my nephew went to this school a couple of years ago and loved it, so I decided to put AVA in.

Since September, AVA has come on great, it is a great start to her early education, she comes home everyday ~~to~~ having learned something new, letters, numbers, colours etc, and singing songs which she loves to do.

Tracey and Linda were fantastic teachers, always make you feel at ease, they are very patient and very caring and very easy to talk to if any concerns, AVA is always talking about them, Tracey this, Linda that, which I think is very positive.

The school is very safe which was important and put my mind at ease. I would definitely recommend this pre-school as for AVA's first year in education, it was brilliant.

I can't praise it enough!
