

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

This year was my daughter Alannah's 2<sup>nd</sup> year attending the school and it was a great relief to find that she loved going into school each morning.

The teachers every morning are at the door to greet Alannah as she starts her day.

Even though I don't see it I know there is great interaction between the teachers & Alannah as she comes home & will tell me stories about the teachers.

Example: Today she told me that Linda broke her finger. I asked how did she do that?

She was running after her dog & she fell and landed in a hole broke her finger & had to get a needle.

It was a brilliant 2 years for Alannah & us knowing she was being well cared for.

A big Thank You to Tracy & her staff. She will miss you all something terrible.

I would highly recommend Little Scholars to other people.
