

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

My son Riley has attended Little Scholars for the last year and he loves it. The teachers are excellent with him. I've even found when talking with them that they know him so well right down to his little ticks and triggers. This makes you feel so confident that your child is in a great school where they really do look after and get to know your child on a one to one basis. The feedback is always great to have and the teachers go through it with you and it's helpful. Sometimes for eg if he was in a bit of a cranky mood before you got there, and you hear the "oh yes fine as soon as mummy had left". I love hearing what jobs or activities he prefers doing and which ones not so much. I would definitely recommend Little Scholars as I have been doing. My son has been in creches before and "Little Scholars" is his favourite place.
