

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

We have had two of our children attend Little Scholars at different times.

Both children enjoyed the experience. They always looked forward to going in and never came home unhappy.

We found the teachers to be very capable of getting the children ready for national school. They always interact with the children and helped them to be more outgoing.

I would recommend Little Scholars with no hesitations as our children have greatly benefited from attending.
