

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

My 3 sons have attended little scholars for their pre school year and all 3 have loved their time there. The school itself has 2 spacious rooms - beautifully decorated with cartoon characters - very clean with an enclosed garden with outdoor toys - There's a buzzer system to gain entry via secure side gate. All the teachers - Tracey, Linda, Martina are so approachable and put a lot of their time into ensuring the children settle in well. My boys bring home beautiful artwork - very creative from the teachers and everything is dated and hand drawn which is a real personal touch. The boys learned so much to prepare them for junior school - letterland alphabet, numbers, shapes, songs etc. Tracey x Linda communicate with parents regularly so any issues can be dealt with promptly whether it's my son not eating his lunch or being too boisterous - I have no worries as staff are so competent and so observant - on occasion when my youngest son wanted to stay home and not go to pre-school the staff were so good getting him settled and texting me to say how he was. I can't praise little scholars highly enough and I thank all the staff so much.
