

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Since Sinead started with Little Scholars in Sept 2011 I have seen her grow and develop her social skills & engaging with other children her own age. This has really helped her confidence grow. She comes home each day full of chat talking about what she has done, songs, rhymes and her letters.

I have at all times, felt the staff very approachable and feel very confident and reassured when I drop her off each morning.

I would have no hesitation in recommending Little Scholars to other parents I know.
