

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

~~Daniel had~~ all

Daniel has been attending 'Little Scholars Pre-school since Sept. 2016. and has enjoyed every day. He has made lots of friends and has become very socially confident. Tracey, Linda, Geraldine and Martine have always been amazing. The structure they have created has been very beneficial to Daniel's progress. He settled quickly and is always excited to tell me about his day (pictures painted, songs sang, letters learned). The teachers take a real interest in the children and have created a very comfortable atmosphere for the children while in school.

I chose Little Scholars because my older son, James also attended and he flourished. They created the perfect stepping stone to Primary school.

I recommend Little Scholars to anyone who asks. Daniel is going to miss all of the ladies there when he starts school in Sept. but because of them, I know he's ready and prepared.
