

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Choosing a Preschool for my son was huge for me as he has mild autism and after looking at many othe preschools I came across Little Scholars on line I first met with Tracy and knew straight away that this was the place for Lewis it was a huge weight off my sholders knowing he would be looked after well, and since starting he has learned so much I can not thank the girls enough Tracy Linda and Ger they are fantastic I would recammed little scholars to anyone looking for a play school Cant thank the girls enough.
