

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I couldn't recommend Little Scholars any more highly. My daughter transferred from her previous pre-school the following year, so naturally as a parent the change was daunting and nerve wrecking, for myself. However I quickly realised it was a fabulous little pre-school. Based purely on how happy and content Heidi was at adapting to her new school. Everyday she comes home beaming, telling me lovely stories about her day in school. i.e. TOAST DAY (a particular winner), TOY DAY, all her different songs and rhymes she learned with each new letter they are introduced to weekly. I love to hear her sing all of these. Heidi loves all of her teachers and only ever had lovely things to say about everyone. In my own experience Tracey went above and beyond catering to any needs I have ever had, even to the point of taking pictures of Heidi's b-day party and sending it to me. It was so lovely how special they made her feel on her special day, and greatly appreciated on my behalf. I will be sad to not have her here next year, but BIG SCHOOL is on the way. I'm sure she is well equipped for her next big chapter, because of all your continued efforts. For this I can't thank you all enough.
