

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

My daughter Amelia-Rose has attended Little Scholars for the last 2 years.

As with my son who also attended a few years back, we found the girls and the manager Tracey very pleasant to deal with. Always very happy, kind, obliging and always at the other end of the phone if needed. I would consider all the girls our friends rather than acquaintances. Amelia-Rose has really come out of her shell and I will have no worries now about her attending primary school and that's all thanks to all the girls.

I would highly recommend this pre-school to any parent who are considering sending their child here.

We will look forward to sending our 3<sup>rd</sup> child here in a couple of years time and seeing all the girls again.
