

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Hands down the best Pre-school, all of my daughters have started their school journey with Little Scholars - best decision I have made for them.

Teachers are lovely and so caring, I know my children are always well looked after and treated with respect and kept safe. Tracey is a great manager everything is always running in perfect order and an absolute pleasure to deal with. Couldn't recommend it enough!!

Big big thank you for looking after my children so well.
