

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Our Son started in Preschool in September 14'. The teachers were fantastic in helping to settle him in as he was upset for the first couple of weeks. He then skipped into school without a backward glance thanks to the patience and encouragement from Tracey and Linda. They are fantastic teachers and are so approachable. Worksheets and lots of artwork are sent home on a regular basis. The teachers even encouraged our son to try new fruits and vegetables to our shock and amazement. I would highly recommend Little Scholars and am thankful it was recommended to me by my neighbour. Thanks a million girls for all your input. Our son has learnt so much with you.
