

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

This is our 2nd experience at Little Scholars. Our 1st child attended in the opening year and again the following year. He loved it so much we sent Megan!
Megan loves getting up in the morning for play school. She loves both her teachers and is always welcomed with a big smile every morning. Megan has come on in leaps and bounds this year - she now knows her numbers + letters and is even practising writing in the mornings before school. We have had no issues with Megan at Little Scholars this year. Staff are easily approachable and completely understanding to each individual child's needs. I have recommended Little Scholars in the past and my friends have enjoyed the experience, as much as me, and I will definitely be recommending in the future.
