

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I Could not Recommend Little Scholars enough.

My little girl Zarah loved it from day one she has come on so well not only from an academic point but socially. She was very quiet in September now 9 months on she is constantly chatting, singing songs and has met a little circle of friends.

The classes are small numbers so you are sure your child is getting 100% care and attention.

Zarah struggled using the Bathroom by herself but since Tracey + Linda have instilled confidence in her she is not a bother.

She loves the playschool + teachers are both very warm and caring.

I have a very happy little girl ready to take on primary school.

Thank you Tracey + Linda xxx
