

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Little scholars is a brilliant pre school that provided a brilliant start to my daughter's education. I feel that my daughter has learnt and developed a huge amount since starting in September. I find that Gemma's imagination and creativity has come along way and been around children her own age has helped her enormously. I loved that Gemma learnt different songs throughout the year and that she was able to come home and sing it for all her family.

The teachers are a great credit to themselves. They are great with the children always helpful and cheerful. All of the teachers looked after my daughter very well. My daughter has never once complained about school. She loves all the teachers and children and loves going everyday. Gemma has learnt so much from her teachers.

The contact with the manager has been an excellent experience. Tracey is very easy to talk to and always very helpful and is excellent at her job.

I would have no hesitations in recommending Little scholars pre school to people I may or not know.
