

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Kayden has been in little scholars pre-school for 2 years.

He has learned so much and is a much happier child since he started. He comes home singing all his new songs and is an expert at the alphabet.

The teachers Tracey and Linda are both lovely and you can tell how much they love children by the ~~way~~ smiles on the childrens faces when you drop them off.

I would highly recommend little scholars, definitely one of the best around where you can trust leaving your young child and not worry about it. Kayden will be very sad to leave this year and we are so glad we discovered little scholars when we did.
