

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I found little scholars BRILLIANT. I seen a big difference in my child since starting last September he has learned so much and has nothing but good to say about his teachers. He loves going to pre-school and ~~likes~~ I like how welcoming the teachers are with both children and their parents. The contact with the manager was very good and I have never had a problem with anything. I would 100% recommend anyone to ~~send~~<sup>send</sup> their kids to this pre-school as its a well run place, it is always clean and a safe place for kids to be. I also liked the fact that the teachers really care for the kids and when my child was out sick I would recieve a text making sure he was ok.
