

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I found Little Scholars as a pre-school, more than my expectations. The kids seem genuinely happy to be there. The preschool was strong in arts and music and the location was convenient.

I liked the challenging curriculum; a warm, clean, safe environment; and experienced teachers. Teachers were friendly, caring and encouraging.

I was satisfied when I met first time the (manager) Tracy. I asked a few preliminary questions on childrearing issues such as discipline and nutrition, got a fair brief explanation of daily activities.

Bottom line is I will definitely recommend Little Scholars as a pre-school to my friends and family.

And thank you to all of the teachers from bottom of my heart.
