

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

In my opinion the teachers help children to gain new experience in preschool and as we all know it may not be easy for the little ones. Little Scholars will help them to learn new skills and also develop their language. Teachers are very helpful and flexible, they help a lot to look after the children. I think it's a good way to start your preschool experience here.
