

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Little Scholars is a great Pre-School.

I have a nice experience like parent with the teachers.

I'm very thankful for the work of teachers. My son has been included in the group very easy.

The teachers are very careful and patient with the children.

I recommend Little Scholars to other people because is the best!
