

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Holly has attended Little Scholars 2 years in a row before she starts Primary School. Although Holly learned a lot in her first year I thought that a second year wouldn't be as challenging. In fact it was the opposite. I think attending the second year, gave Holly more confidence in her work especially letterland and she really enjoys doing the school work. The teachers are great to deal with & very accommodating. Holly is Coeliac and teachers are very understanding towards her diet when it is "toast day" & parties etc. I would definitely recommend Little Scholars to my friends. Holly has made some great friends and is looking forward to Primary School. Thanks a million
