

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Little Scholars pre-school is excellent and I would highly recommend any parent to send their child there. Tracey and Linda are the two nicest women I have ever met. They are brilliant with my son. He has learned so much in the year he has attended this pre-school. I am more than happy for my son to go on to primary school knowing all of his letters, colours, shapes and numbers Tracy and Linda have taught him. This is my second child that went to Little Scholars and I could not be any more happier with what way Tracy and Linda run the pre-school. My son runs in every morning with no question and comes home with a smile on his face everyday. What more would a parent want.
