

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

I have found Little Scholars to be the perfect playschool for my daughter. I have lots of reasons why I would recommend this playschool, it is very close knit the interaction between the teachers and parents is amazing they are always at hand and willing to help as much as they can. The atmosphere between the kids as the months went on is second to none.

I would highly recommend Little Scholars simply because the girls have a lot of time for the kids. The difference in my daughter from start to finish is great, her speech improved, her interaction with other kids improved and the most important thing she enjoyed going everyday. Highly recommend.
