

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

The teachers were great, they helped my son develop many new skills. They treated him very well as when he came home he always talked about the new things the teachers helped him with. My son is usually a shy child however the teachers helped him open up and be more social and allowed him to make new friends and learn new things. I would definitely recommend this pre-school to others.
